

4.0 Ends Policies

Wisconsin Youth Company exists so that children of south central Wisconsin thrive outside the school day at a level that justifies the resources invested.

- 4.1 Children will have a sense of belonging through supportive relationships with peers and adults.
- 4.2 Children will value themselves and explore personal interests.
- 4.3 Children will develop life skills consistent with their abilities.
- 4.4 WYC's southwest Madison neighborhood will grow in community capacity.
