

Thrive in Stride

Fun Run/Walk
Sponsorship Opportunities

May 20, 2023

A family-friendly fun run/walk to **support essential out-of-school time programs!**

Wisconsin Youth Company's mission is to engage youth in opportunities to be their best selves and provide safe spaces where children can grow, learn, and thrive beyond the school day.

Thrive in Stride will bring together families, friends, and community partners from more than 15 different school sites and neighborhood center programs to raise money for high-quality out-of-school time programming, financial aid, and support for working families in Dane and Waukesha Counties.

Thrive in Stride takes place along **3 miles of beautiful nature trails** at **Pheasant Branch Conservancy**, with rest stops along the way where event participants can take a break, re-hydrate, and refuel. Along the route are hidden scavenger hunt spots with a special prize for participants who find all of them!

At the end of the route, everyone is invited to celebrate together with outdoor games, prizes, and treats!
