Program Year

Summer Day Camps

Child care benefits are effective from the first date of employment, dependent on space availability. Scheduled work days determine subsidized enrollment eligibility. Each child must have completed registration forms on file in the administrative office and be confirmed prior to attending any program. Enrollment is on a first-come, first-served basis. The staff person must be the legal guardian of the child being registered. Any exception must be approved by the executive director. Staff are required to pay their share of fees by the due dates printed on the payment coupons. Delinquent payments may result in the child's removal from a program. Authorization remains in effect through the entire program term unless employee's schedule changes or terminates. Benefits cease on employee's last work day.
